

(3) *Hours of inspections.* Consistent with the provisions of the Convention, the Host Team will ensure, to the extent possible, that each inspection is commenced, conducted, and concluded during ordinary working hours, but no inspection shall be prohibited or otherwise disrupted from commencing, continuing or concluding during other hours.

(4) *Health and safety regulations and requirements.* In carrying out their activities, the Inspection Team and Host Team shall observe federal, state, and local health and safety regulations and health and safety requirements established at the inspection site, including those for the protection of controlled environments within a facility and for personal safety.

§ 717.3 Samples.

The owner, operator, occupant or agent in charge of a facility or location must provide a sample, as provided for in the Convention and consistent with requirements set forth by the Director of the United States National Authority in 22 CFR part 103.

§ 717.4 Report of inspection-related costs.

Pursuant to section 309(b)(5) of the Act, any facility that has undergone any inspections pursuant to this subchapter during a given calendar year must report to BIS within 90 days of an inspection on its total costs related to that inspection. Although not required, such reports should identify categories of costs separately if possible, such as personnel costs (production-line, administrative, legal), costs of producing records, and costs associated with shutting down chemical production or processing during inspections, if applicable. This information should be reported to BIS on company letterhead at the address given in § 716.6(d) of this subchapter, with the following notation:

“ATTN: Report of Inspection-related Costs.”
